

BLOCKCHAIN PLATFORM FOR GAMBLING

We are creating a transparent and fair platform for gambling

ONLINE CASINO ISSUES

Casino owners

- High cost of creating and maintaining a casino
- Operating activities expenses
- Licensing fees and legal support expenses
- Package offers do not provide all-round solutions
- Issues with the fiat banking system

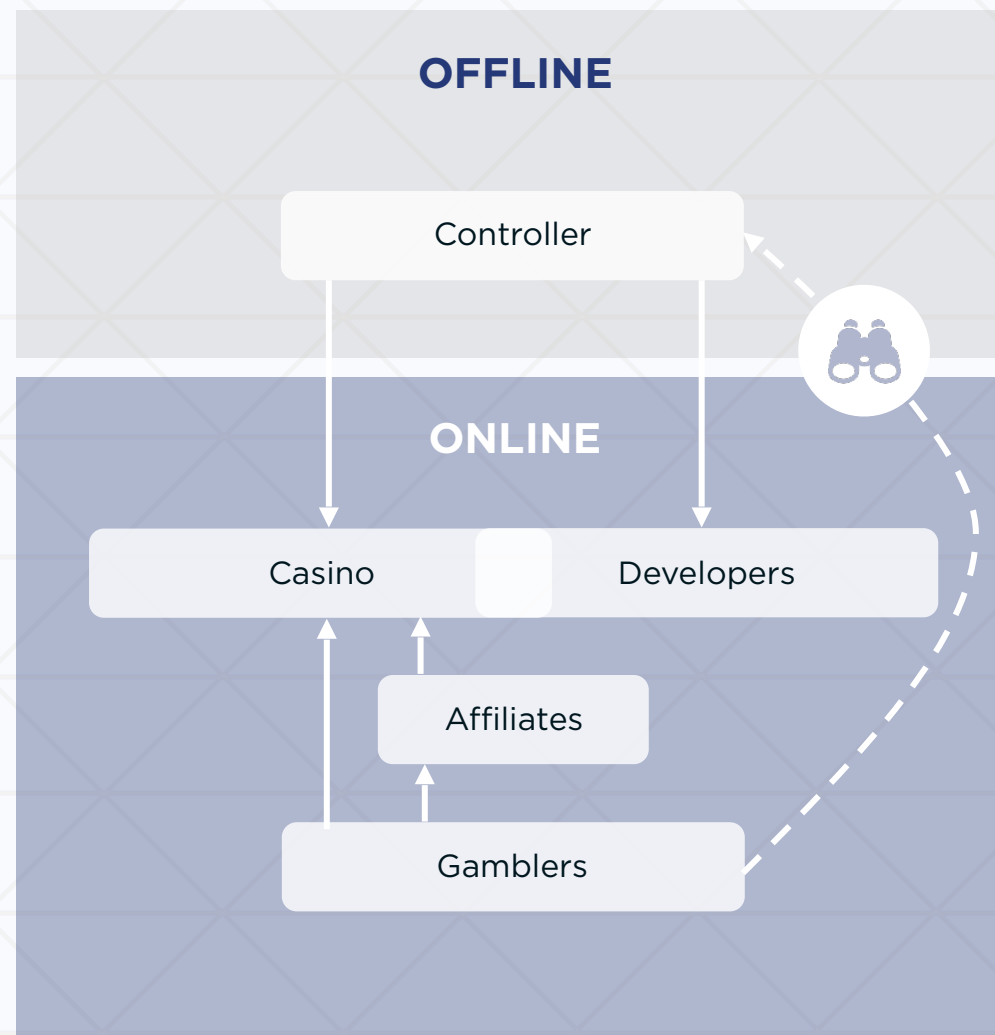

Gamblers

- Casino delays payments or does not pay at all
- Casino makes installment payments because of the lack of working capital or payment system restrictions
- No mechanism to guarantee honesty and transparency
- Fiat payment systems with high commission fees
- Fiat system limits for payment transactions amount

Affiliates

- No guarantee of their efforts recognized in any way - they might waste time and receive no remuneration
- Lack of transparent infrastructure permits casinos to conceal proceeds received from the gamblers affiliates brought in

BLOCKCHAIN-BASED ONLINE CASINO ISSUES

Casino owners

- Spend a lot of time and money on token sales
- High commission fees and low speed when publishing broadcasts in blockchain
- Lack of classic casino games because of the limitations imposed by the use of blockchain

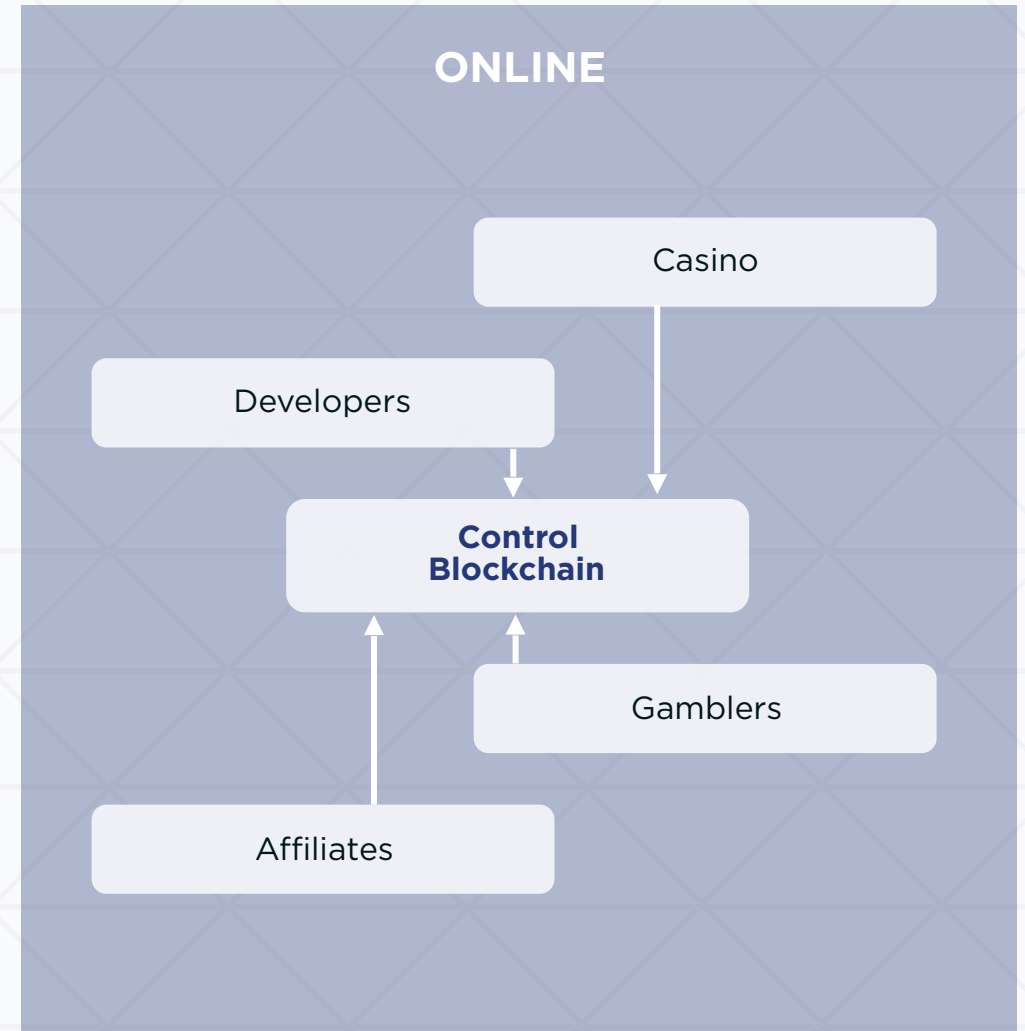

Gamblers

- Forced to play simple and slow games
- Have to wait for the full-fledged blockchain-based casino in the distant future

Affiliates

- Risk their time without any guarantee to receive any remuneration
- Cannot realize their potential to the fullest, as there is no infrastructure in place

TRUEPLAY SOLUTIONS - FAIRPLAY SYSTEM

Casino owners

- Upon connecting, receive access to a ready-to-use technical system, support for operational, legal activities and marketing
- Receive access and can connect any game quickly and with minimum expenses
- Instant, unlimited deposit and withdrawal of funds from the casino
- Support in all countries of the world where casinos are legal (without geolocation)

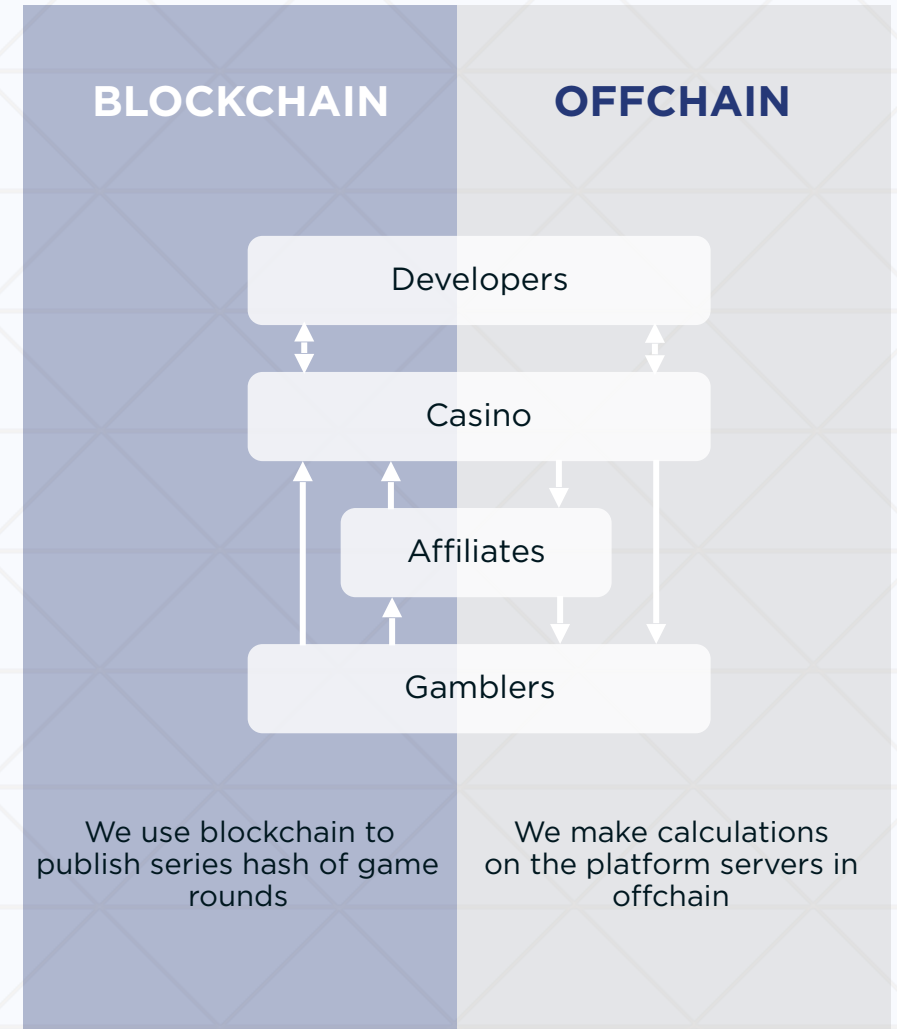

Gamblers

- Get opportunity to instantly transfer funds to casino in an unlimited amount
- Instantly receive prize payouts
- Get a full-fledged integrity control that can be checked using blockchain technology
- They see the balance of the project they play with

Affiliates

- Wincoin for webmasters - transparency in all transactions
- Control over finances of all gamers brought in

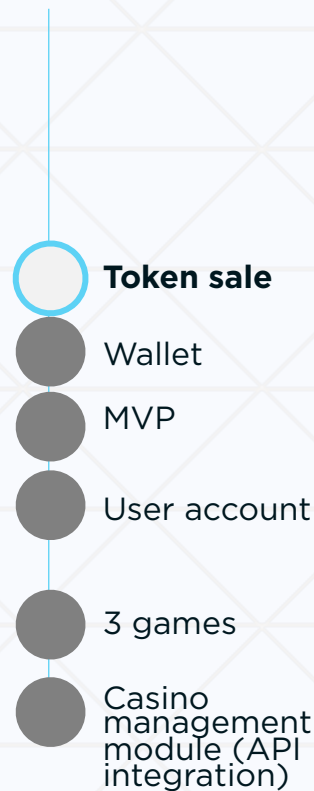

WHY TRUEPLAY? IT IS NON-TYPICAL TOKEN SALE

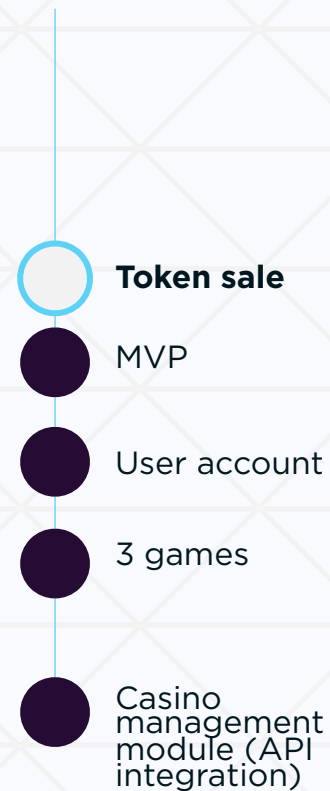

We carry out token sale in order to speed up project development and attract more attention:

1. A lot of work has been accomplished before the token sale
2. We have over 15 years of experience in the gambling industry
3. We communicate with all the key players in the market
4. Our competitors spent dozens of millions (USD), but have not, as of yet, managed to solve the tasks set
5. We are ahead of our competitors in this area even before the beginning of the token sale
