

Welcome to the **Next Level of Play** with CopyStake!

Place bets behind streamers to experience
the ultimate fun! It's never been easier!

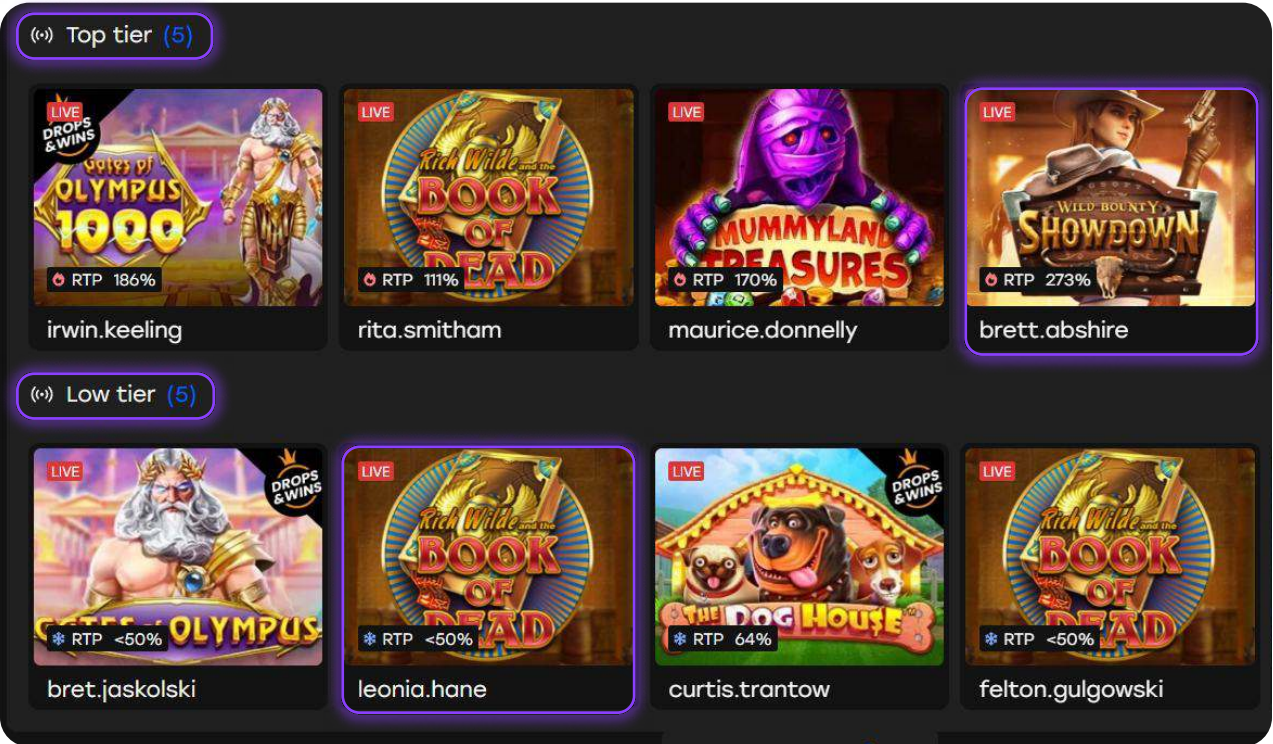

STEP 1

Open [YOUR BRAND]’s **Stream Lobby**.
You’ll find all available streamers here.

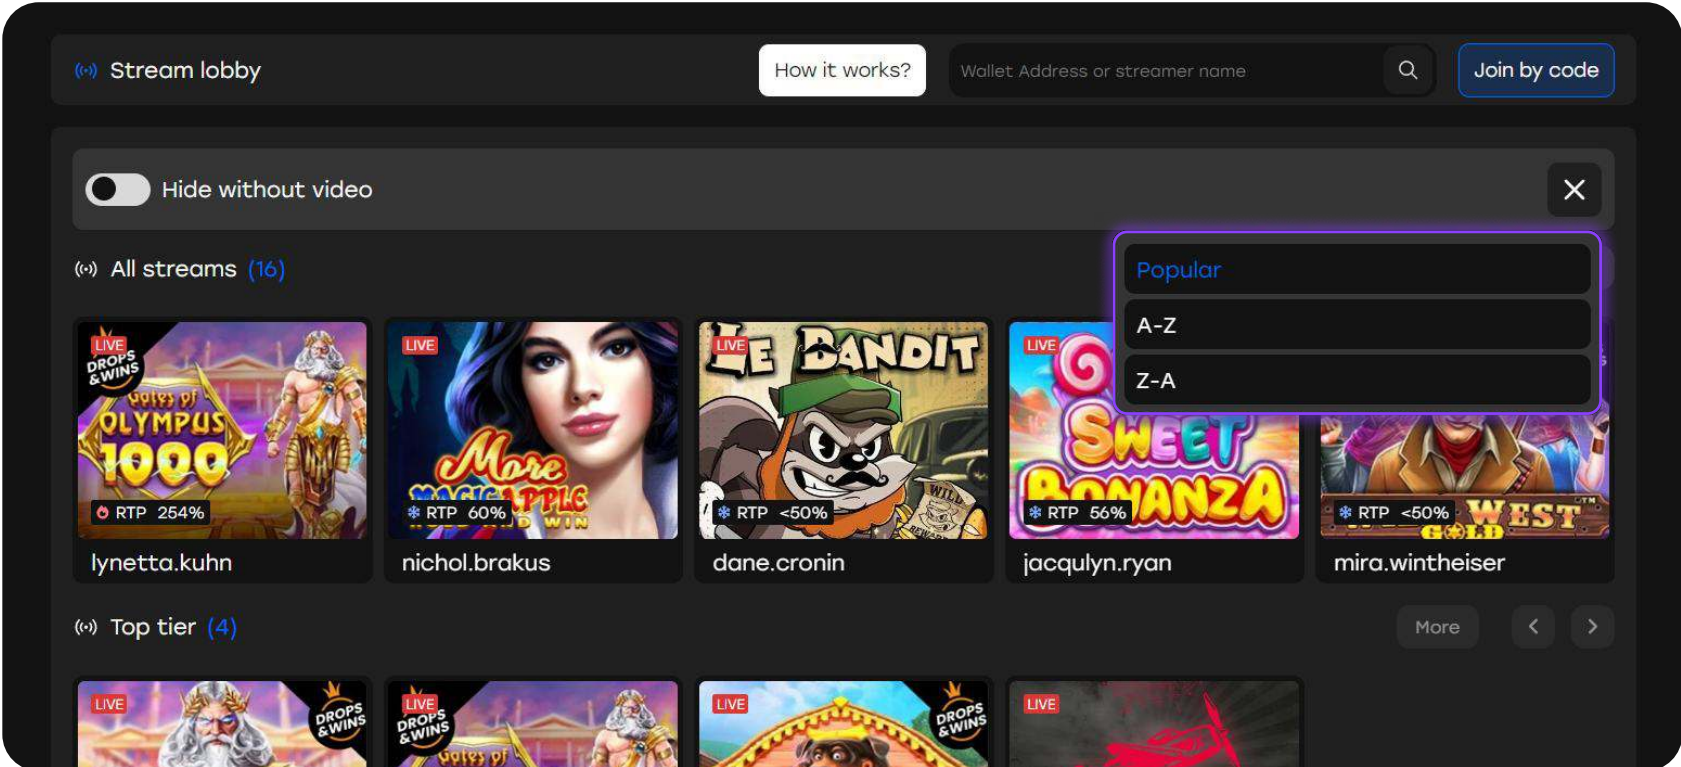

STEP 2

Choose a streamer on a winning streak or one you believe is about to start — it’s all about your strategy.

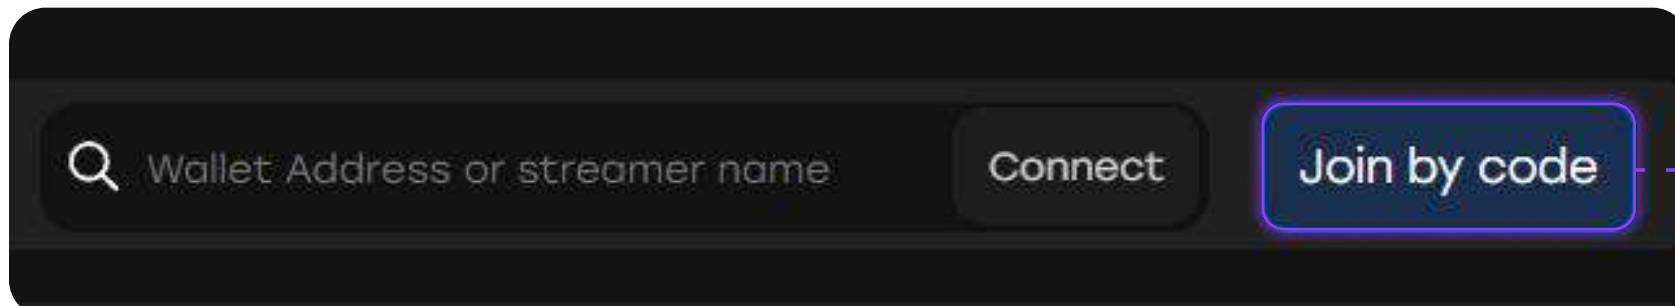

STEP 3

You can also **sort** your options alphabetically or by popularity to help determine who to mirror.

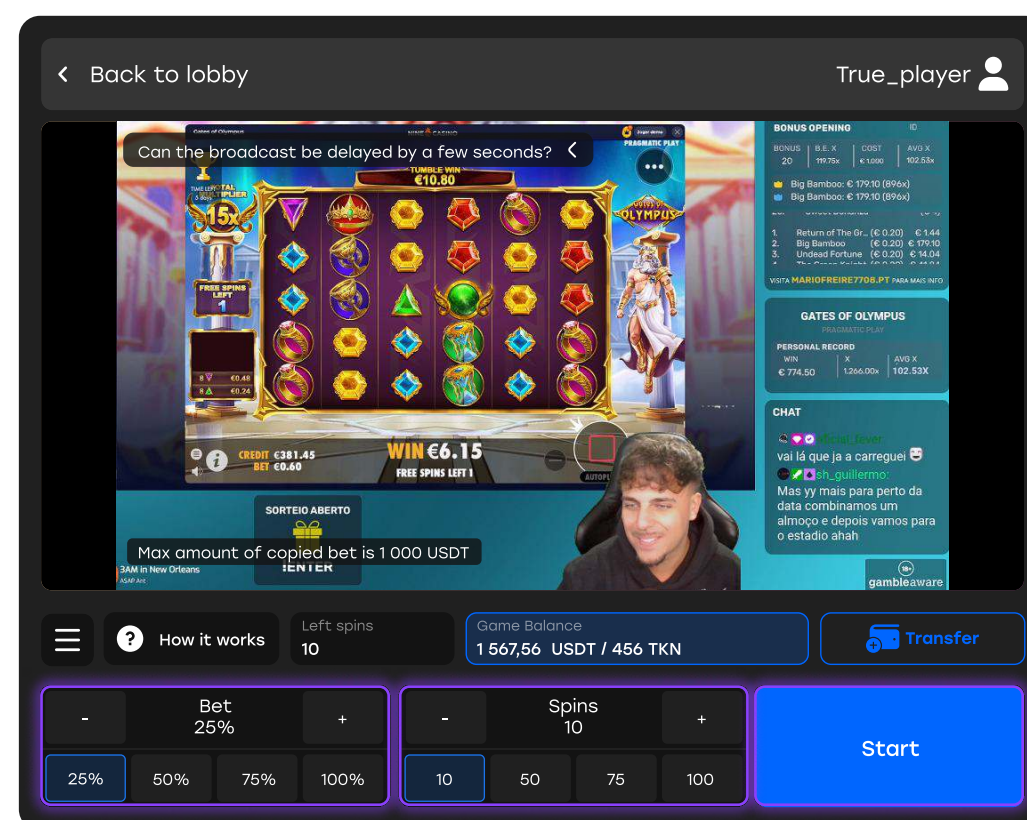

STEP 4

Find streamers by their name or wallet address. You can also join private streams by clicking **Join by Code** and entering their unique streamer codes. Make sure to ask your favorites for theirs.

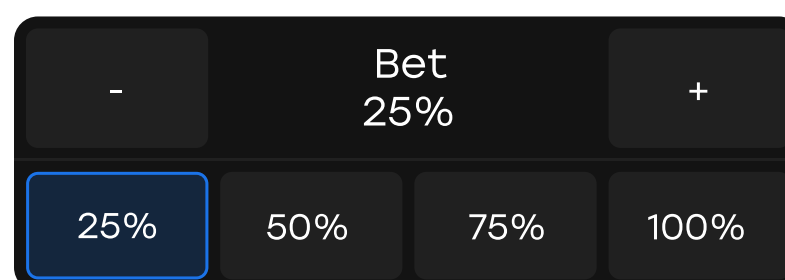

STEP 5

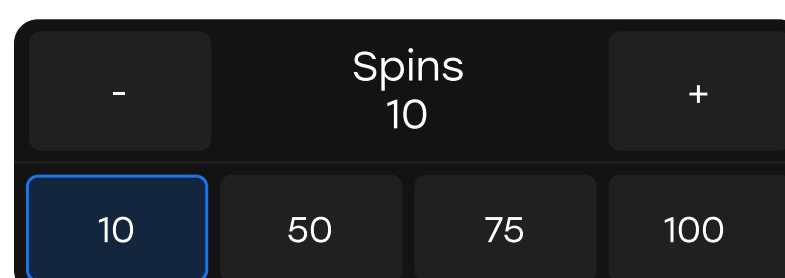

Welcome to the broadcast page.

Game Round History			
Player History		My History	
Wallet address		1d056...44e7f641c	
Time	Game	Amount	Type
17:45:06	Release the Kr...	0.0002 USDT	Bet
17:45:06	Release the Kr...	0.098 USDT	Win
