Script 3

Video	Picture	Voice Over or VTC
 <p>[STREAMER'S NAME] in front of the camera.</p>		<p>Hey, it's me again!</p> <p>Have you ever wished you could play alongside me during streams?</p>
 <p>A brief clip of [STREAMER'S NAME] live on the CopyStake broadcast page.</p>	 <p>Display [YOUR BRAND] logo then cut to video.</p>	<p>Well, [YOUR BRAND] has answered your wishes with their ingenious new feature — CopyStake.</p> <p>Now you can mirror my bets in real time.</p>

[STREAMER'S NAME] points to the bottom of the screen where [COPYSTAKE LINK] appears.

To CopyStake, just follow the link below to the **Stream Lobby**.

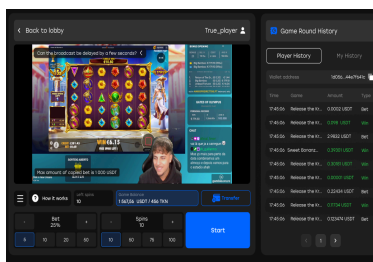

Scroll up and down the **Stream Lobby** then zoom into the search bar. Type [STREAMER'S NAME]

Find me in the content bar or look me up in the search bar.

Zoom into the **Join by Code** button and input [STREAMER'S CODE].

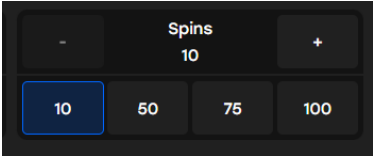

If it's a private stream, click **Join by Code** and enter [STREAMER'S CODE].

Open the broadcast page.

This opens the broadcast page.

		Set your stake percentage...
		Select the number of spins...
		And click Start to join me in the action!
		And that's it! Now hurry and go set up your CopyStake.

Zoom into the **Bet** section of the panel and pick any percentage.

Zoom out and into the **Spins** section of the panel and pick any number.

Zoom out and into the **Start** button. Click it.

[STREAMER] in front of the camera.

TRUEPLAY

	<p>Text scrolls across the screen, followed by [YOUR BRAND] logo.</p>	<p>Stream the fun and share the glory.</p>
